WHY EGYPE

- Egypt has the largest population in the Middle East. The Country provides an excellent platform
 of labor resources in the region.
- It is the sensible investment choice considering its relatively low-cost labor, favorable operating
 premise, and Potentially high consumption market Egypt presents a huge commercial opportunity
 across a broad range of sectors. egypt has now entered a new positive phase economic
 activities have revived, demand for all types of goods and services is growing fast.
- These factors combine to creat opportunities for trade and investments on an unprecedented scale and egypt is now recognized as one of the hottest investment sopt's in the world that is targeted by international investors as promising market with a potential growth yet to be seen.

Why Participate?

- Establish one to one connection with potential buyers and target audience. Increase your sales
 with minimum time and budget.
- Establish new business connections to strengthen your existing business contacts Promote your new products related to your receivers to increase brand awareness and value.
- Forefront in the market stands out a step increased competition varying in the market structure.
- Operating in the industry to strengthen your connections with companies and individuals.
- To follow the latest industrial developments of technologies, products and applications You must participate the 5th International Middle East Lighting Expo 2023 In Egypt.

Why is "Middle East Lighting Expo" Important?

- The International MIDDLE EAST LIGHTING EXPO has importance that increases every day since
- The products that recently receives the greatest attention worldwide and whose market grows at a rapid pace are LED, Solar Lighting and LED products,
- LED products and semi-finished are an indispensable part of any type of technology manufacture.
- An important change that may be considered a revolution in the field of lighting has occurred with LED lighting products.
- LED lighting products constitute one of the most significant parts of the energy saving operations conducted in response to the energy shortage that is on the rise in the world.
- The market grows extra ordinarily due to the requirement of use of LED lighting outdoors in EGYPT
- The interest in LED lighting products increases every day due to the variety of their use, several color and lighting alternatives, and their being healthful.

- Middle East Lighting Expo will take place at the luxurious venue Cairo International Convention and Exhibition Center, the ground-breaking venue for trade related events, seminars, conferences and exhibitions.
- -The venue is located 10 minutes away from the Cairo International Airport, and 15 minutes away from downtown and the touristic locations.
- -The center is fully equipped with all the modern facilities including air-conditioning, seminar rooms, conference halls, restaurants, huge car parking, floor load up to 1000 gm/ m2,

Why Middle East Lighting EXPO ?

- Middle East Lighting Expo responds correctly to the industry's needs.
- Expectations and demands of visitors participating organizations are made.
- Participants have contributed to ideas thoughts and suggestions. Giving importance to participants all concerns for the exhibition.
- Providing direction also when it is not exhibition to establish trade links with business development Middle East Lighting Expo participants,
- Middle East Lighting Expo customers not only the participants, it is to see them as a partner.
 By visiting all the exhibitions in the World, developments are being followed up to date Products are brought together with buyers and users are determined by the needs and expectations in what direction are it done with proper planning.

Exhibitors' Profile

LED Lighting & Applications

- Interior Lighting
- Office Lighting
- Residential LED Lighting
- Retail Lighting
- Stage Lighting
- Entertainment Venue Lighting
- Industrial Lighting
- Exterior Lighting
- Building Lighting
- Decorative Landscape
- Garden Lighting
- Street Lighting
- Tunnel Lighting
- Commercial Lighting
- Architectural Lighting
- Underwater & Fountain Lighting
- Floor Lighting
- Automotive Lighting

LED Lighting Products

- LED Bulbs
- LED Ceiling Lights

- LED Tubes, Fluorescent
- LED Flat Panels
- LED Down Lights
- LED Spot Lights
- LED Track Lighting
- LED Lighting Fixtures
- LED Street Lights
- LED Bollard Lights
- Solar LED Lights
- LED Wall Washers
- LED Bars
- LED Strips
- LED Rope Lights
- LED Flood Lights
- LED Garden Lights
- LED Underwater Lights
- LED Underground Lamps

LED Decorative Lighting

- Chandeliers
- Apliques
- Floor and Table Lamps
- Strech Ceiling Lighting

- New Year & Christmas Lights
- City Arch Lighting
- Artificial Sky & Window Panels
- LED Products
- LED Indicator Lamps
- LED Emergency Lights
- LED Traffic Lights
- LED Automotive Lamps
- LED Backlights
- LED Reading Lights
- LED Headlamps
- LED Flashlights
- LED Solar Lanterns
- LED Focus Lamps

LED Screen, Signage & Displays

- LED Video Walls
- LED Screens
- LED Signs & Displays
- LED Moving Signs
- Numeric & Alphanumeric Displays

LED Driver & Power Supply LEDs

- AMOLEDs
- LED Manufacturing Equipment
- Machinery & Allied Products
- Mounting Machines
- MOCVD
- Soldering Machines
- Ins pection/Measuring/Repair
- LED Components
- Accessories & Rawmaterials
- Circuit Boards
- MCPCBs
- LED Wafer/Chips
- Lenses/Optics
- LED Encapsulation Material
- LED Modules
- PCB Reflectors
- Diffusers

LED Driver and

Power Supply LEDs

- High Power LEDs
- SMD LEDs
- COB LEDs
- DIP LEDs
- Liquid LEDs
- OLEDs

- Heat SinklThermal Management
- Wires & Cables
- Lighting Automation
- Lighting Control Systems
- Computers/Servers
- PLC
- PC Software
- Mobile Software
- DMX Controllers
- Control Panels, Screens
- Sensors, Dedectors
- Timers
- Switches
- Dimmers
- Smart Receptacles
- Plug-In Modules
- Network Protocol Converters
- Access Points
- Routers
- Controllers
- Power Distribution Units
- Relay Panels
- Accessories

- Lighting & Electricity Substructure
- Materials & Equipment
- Cables
- Cable Ducts, Cable Laying
- Distribution Systems
- Installation Materials & Equipment
- Isolation Materials & Equipment
- Wall Boxes, Junction Box
- Electric Terminals
- Installation Tubes
- Safety Fuses, Circuit Breakers
- Interrupters
- Electricity Meters
- Wall Frames & Accessories
- Switches
- Receptacles
- Plugs
- Uninterruptible Power Supplies
- Power Factor Correction
- Components & Systems
- Electric Generators
- Lightning Protection
- Grounding Systems
- Power and Energy Meters

Visitors' Profile

- LED Companies, Distributors, Dealers
- Highways Companies
- Electric/ Electronic Companies
- Airport Ground Service Companies
- Industrial Automation Companies
- Transport Companies
- Automotive Sector
- Factories
- Signpost Manufacturer
- Banks
- White Goods Manufacturer
- Hospitals
- Electronic Goods Manufacturer
- Medical Electronic Manufacturer
- Architecturals, Engineers
- Tourism Industry
- Interior Architect, Decorators
- Amusament Parks
- Building Automotion Companies
- Aqua Parks
- Landscape Architect
- Discos, Night Clubs
- Furniture Companies
- Restaurants, Cafes, Pubs

- Interior, Exterior Decoration Companies
- Hotels
- Cooperatives, Contractors
- Museums, Theaters, Cinemas
- Building Sector
- Congress-Exhibition Centers
- Contractors
- Business Center
- Organization Companies
- Shopping Malls
- Sound, Light, Image Systems Companies
- Chain Stores
- Advertising Companies, Cast Agencies
- Jewelleries
- Security Companies
- Stadium, Sport Complex
- Firefightining Companies
- Educational Institutions, Universities
- Emergency, Rescue Companies
- Organized Industrial Zones
- Minicipalities
- Relevant Institutaion, Associations
- Governmental Offices

Exhibition Fact Sheet (2021)

Exhibitors rating for the organization of the event

Exhibitors rating for the success of the event in terms of business deals

Exhibitors intention to participate in the next edition

Show Report (2021)

| Exhibition Area | . 5000m² |
|----------------------|--------------|
| Number of Exhibitors | 75 Companies |
| Number of Brands | 150 Brand |

Expectation Visitors for 2023 12500

9000 Visitors in 3 Days 2021

50%

Means of Promotion

Direct Mailing

- Mailling of 50000 to the visitors database in and outside Egypt
- Mailling of 35000 invitations to the exhibitors database via the exhibiting companies

Magazines Advertising

International lighting Magazines and Directories
